

# Comprehensive Refugee Services (CRS)

## Miami-Dade County

The CRS program provides services to foster self-sufficiency and to facilitate integration the community to refugees, new entrants and their families during the first 60 months of arrival.

### Services:

**Assessment and Case Management:** Through in-depth assessment and different levels of case management, we evaluate individual needs and provide specific services to help refugees and their families to achieve economic self-sufficiency and integration to the community.

**Employment Services:** Help eligible refugees and new entrants to get prepared for the job market and get jobs aligned with their individual skills and talents. Pre-employment services include: counseling, employability skills training, vocational education, and job placement services. Career laddering services include: career planning, job placement assistance and on-the-job training opportunities.

**Referral Services:** We provide referrals to programs that include: ESOL classes, adult basic education, GED education, legal services and other services.

**Youth Services:** Focus on promoting academic success through 2 different pathways: Academic Pathway (for youth 16-18 years old) and Career Pathway (for youth 16-19 years old).

**Mentoring Services:** Fosters social engagement, educational and vocational development. Connects youth refugees 15 to 24 years of age with mentors who provide guidance, support and serve as role models for their future.

**Child Care Services:** Is a service provided to eligible refugee/entrants who are enrolled in the refugee employment services or adult education services. Referrals for child care assistance are submitted through an online form at: <https://www.ycoop.org/child-care-referral/>
